The **ADVANCE PROGRAMME** price of **£12** entry **per car** admits **all occupants** accompanied by a Member in one car into Curborough for the **entire weekend**. It is cheaper to book in advance as if you attend without obtaining an **advance programme** it will be **£12 PER PERSON** at the gate. All non-members pay **£12 PER PERSON**. An **advance programme** is required **in addition** to paying for camping and/or Auto-jumble/trade pitches.

**If using a generator on the campsite please tick the box on the booking form.**

**Generators may only be run between 0900 and 1800.**

It had been hoped that prices could have been kept the same as last year, but the costs of hiring in services and equipment have increased again, so prices have had to be increased to help cover the cost. **Camping prices are as follows:**

**Thursday** night **£17** (*non-members £22*); **Friday** night **£22** (*non-members £28*);

**Saturday** night **£22** (*non-members £30*); **Sunday** night **£12** (*non-members £17*).

**Auto-jumble/trade pitch prices** are **£30** per pitch (*non-members £50*) for the whole weekend. Camping tickets are also required if staying on site.

All bookings for Camping and/or Auto-jumble/trade pitches must also include **£12** (*non-members £12 per person*) for an advance programme (for one or the other – not both) which also covers P&P.

**Friday all day** is a '**Track Test Day**' which is not open to the public. **Friday evening** in the Marquee for fun and a quiz for all; it is still free, but please enter numbers on the booking form as tickets will be issued so that we know attendance numbers in advance.

**Saturday morning** is the **Autotest**. The cost per entry is only **£20**, but more entries are needed to make it pay! **Saturday afternoon** is a '**Track Test Day**'.

**Saturday evening** entertainment has yet to be arranged, so see Slice 305 for details. As it is the Club's **50th Anniversary** the theme this year is **Gold**.

**Sunday** is the **Concours** competition and our round of the '**Scimitar & Sabre Speed Championship**' with practice runs in the morning and timed runs in the afternoon.

All the weekend's activities will be published in the **ScimFest** Programme and also on ScimitarWeb.

Please support your **ScimFest** which is the main event to attend to see the Sprint Cars in action and for bargains from Club Traders and Auto-jumble stalls!
